

# BAMPTON PARISH NEWSLETTER DECEMBER 2022 – JANUARY 2023

## *Dear Friends*

### **Traditions and their origins**

It is curious how some cherished traditions are still enthusiastically followed by thousands or even millions of people, who actually care little about how it all started, or even why. Take Hallowe'en: when I was a child we bobbed for apples (I have no idea why!) but knew nothing of dressing up in spooky costumes, or knocking on doors to “trick or treat” – these customs have come from America in more recent years, and give everyone a lot of fun (and some vandalism). But how many people know or care that “Hallowe'en” is actually “All Hallows Eve”, or the day before All Saints’ Day? Or bonfires and bangs on 5<sup>th</sup> November: probably most people have vague memories of being told about Guy Fawkes and the Gunpowder Plot of 1605 – but are hardly bothered in 2022 to celebrate that actual historical event! It is just an excuse for a bit of fun and fireworks.

I suspect that Christmas is much the same for many people. Earnest Christians may wear badges proclaiming “Jesus is the reason for the season” (have you seen that slogan?), but for most people Jesus scarcely enters their minds as they display fairy lights on Christmas trees, hang up stockings for the children, buy presents, and plan to eat and drink far too much! Now I don’t want to join the chorus of religious killjoys, with their annual moans of “It’s all too

commercialised...!” Personally I love Christmas trees (even though they have the most marginal connection with the birthday of Jesus Christ) and we will certainly have one decorated and lit in our home as usual! And almost all churches will have one too – and Orton Church will have about fifteen as part of our Christmas Tree Festival! (Do come along and have a look!)

But for me, as a believer in Jesus, the central focus of the whole season IS that it is the official birthday of Jesus (though whether his actual birthday was 25<sup>th</sup> December is doubtful; but our monarch has an official birthday as well as an actual one, so why not Jesus too?). Singing “Jingle Bells” is all very well, but honestly a bit meaningless. But singing “O come let us adore him” – that really does mean something – to me, anyway, and to others who have a faith in the one we are singing about. And there is no doubt that large numbers of people, even those who would hesitate to call themselves Christian believers – and some who would frankly admit to being unbelievers – still find that church at Christmas, with the traditional Bible readings and prayers, and carols both ancient and more modern, give them a very precious and meaningful experience.

They love the decorations, the well-loved music, the sonorous language of the familiar story of the baby in the manger. So what, if it is all nothing but a legend? It still sends a tingle down the spine, and even prompts the odd tear; it reminds us of happy memories of our childhood, and gives us a moment to reflect in the midst of the frantic Christmas busy-ness.

But I am personally convinced – as are millions around the world – that it is no legend, but a wonderful truth. Whenever I plan or lead a Carol Service, I pray that for someone there, this may be a moment when they find more than they expect; not just pretty lights, lovely music and comforting nostalgia, but meeting the One whose name is Emmanuel, which means “God With Us”!

### **Bell Ringing**

Visiting ringers and anyone who might be interested in learning how to ring are always welcome. Practice dates (see Diary Dates) are subject to change. Please contact the Tower Captain in advance on Tel: 01931 716822 in order to confirm a date and time before your visit. Thank you.

### **Food Bank**

The rising cost of living, together with increased fuel and energy prices, is causing much concern to all of us, our family and friends, and to the wider community. The Salvation Army in Penrith has seen demand for help soar and is appealing for donations to their food bank. If you would like to donate food or household items but don't want to travel to Penrith you can now leave non-perishable donations in the porch at St. Patrick's. The church is unlocked during the day so you can drop items off easily when you're passing. We'll ensure the donations are taken up to Penrith.

## **Extracts from ‘100 Years Ago’ in the Herald – November 1922**

Cold, frost, snow (by the 4<sup>th</sup>), stormy.

General Election, Conservatives won by 79 seats but Mid-Cumberland (Penrith etc.) returned a Liberal for the first time since 1886, beating Sir Cecil Lowther (Conservative) by 378 votes; turnout 85%.

The Mardale Shepherds’ Meet took place on Saturday 18<sup>th</sup> as usual, at the Dun Bull. There were lots there. Many had walked over the mountains to it.

The Ullswater Foxhounds had a good day, as did those with the Hound Trail and in the Dun Bull after.

I remember the Mardale Meet in the 1970s, on a drizzly mid-November Saturday at what is now the Mardale Inn. The Hunt had set off and many watched from the road or followed it on foot over the fell. The strayed sheep (a few) were in a pen at the side of the pub, awaiting their owners.
