

BAMPTON PARISH NEWSLETTER OCTOBER - NOVEMBER 2017

Dear Friends

We can't help being influenced by the beauty of local scenery, even when, as now, the best Autumn conditions are beginning to fade as we head towards winter following an intermittent-only summer!

The extent to which our worldview is changed by the place we live in and what happens in it is considerable. If we spend most of our time in quite a small community and like the things that go on there – church, social activities, visits to neighbours or family – we are likely to want to protect it and keep much the same as it always was; this is only natural. New national or international trends – even spread of internet capacity and mobile telephony(!) – reaches the countryside more slowly and it's quite right that we test what we see and hear first before automatically assuming that anything new is good, simply because it's novel. Nevertheless our planet and its societies is constantly adapting to suit human convenience and its best at least to keep alert to what is fresh even if we don't necessarily like it all!

What doesn't differ much, however much technology there is around is, sadly, man's aptitude to do harm – to others, to our environment – as much as good. Christianity has always tried to explain why this is so and Jesus himself made many attempts to clarify the race's perverser ways to his disciples, but for many

this factor is a barrier hindering them from showing further interest in the things of faith. If God is good, loves us and wants us to be happy then why does the Deity allow such terrible outrages as the Grenfell tower fire, airline crashes and hi-jacks, famines and wars, to continue? So the argument tends to run.

However to take such a line is hugely to over-simplify God. We do not of course know – or ever could know – sufficient about the Creator of the universe to be able to come to a wholly human-centred judgment. Being just such a Creator however, – and we see the vast diversity of the earth before us, with all its good and bad – God wished to allow that humanity whose very existence He permitted the fullest opportunity to become what it itself desired to become, be this healthy and strong, negative and weak, or somewhere in-between. Jesus explained to those who would be His followers throughout all time that God our Father does give us choice to develop more or less as we wish, and that any judgment would only be made at the end of all things; and after many warnings and much guidance – most notably in the Bible – had been given.

So: Grenfell tower, just like the tower of Babel which also ended in disaster, was built by those who did not take sufficient advice! Aircraft are also built by human beings with limited skills, not by angels.

Hi-jacks, wars and famines too all occur either because someone at one point or another has either been negligent (e.g. failure to provide water wells or aid to famished lands) or wilful e.g. an individual or group, or even a nation, desiring to force their own will on to others, irrespective of what existing national agreements, treaties or straightforward prudence might dictate.

A loving God, who is the supreme legislator of all does not intend to force humanity into tight, ready-made boxes but longs for us all to explore the full proliferation of potential of His vast and complex creation.

Through the intervention of Jesus Christ, who loved humanity so much that he gave his life for it, God wishes to try to love Him back; but this a decision for us to make, with His support, if we care to – He won't compel us to make it.

Neil

Christmas Coffee and Gifts Morning

Already it's time to think about Christmas again! This year our Christmas Coffee and Gifts Morning will be held on **Saturday 2nd December** at **10am till 12 noon** in the Church if possible but as work may be ongoing with the bells it may be necessary to hold the event in the Church Hall – please check the Church notice board nearer the time. There will be the usual array of goodies: scrumptious home made cakes, preserves, gifts, books and good quality bric-a-brac items. There will be a raffle with terrific prizes for the festive season including £50 in cash and very desirable hampers of food and drink. Raffle tickets will be available in advance from PCC members, the Post Office or on the day and will be drawn at the event. Make a note in your diaries and get all your festive needs without leaving the valley!

Christmas Turkey & Tinsel Candlelit Supper

Our annual Turkey and Tinsel supper will be held on **3rd November** at **7pm** in the Church Hall. Why not come along for this traditional winter fayre to put you in the Christmas mood nice and early! Tickets are £15 each and can be obtained from Maureen Barber on 713314

Summer's Evening Buffet

The summer's evening buffet was well attended and enjoyed by all. Once again, sincere thanks to Joan Bruin and her tireless team of helpers for the delicious repast and for making such a splendid and pleasant evening.

Church Bells

Preparatory work has begun in the church tower ahead of the installation of the new bells. As part of this project, the clock mechanism is being removed for overhaul and refurbishment ahead of relocating when the bells are in place. This means that the clock will fall silent for several weeks, but the familiar chimes will resume in November. Included in this aspect of the project is the repainting of the clock faces.

Bampton PCC

Drop in for Coffee

Our drop-in dates for the next two months are **Wednesday 11th October** and **Wednesday 8th November**, any time between **10.30am** and **12 noon** in the Church Hall. This is not a fund raising event; it is just an opportunity to get out and meet people so do come and join us. If you would like to come and need a lift, then please contact me. We look forward to seeing you.

Diana Nicholson 713194

Thank You!

The PCC would like to thank the Bampton Memorial Hall Committee which has kindly sponsored the production of this month's newsletter.

Tinclar's Library

The Library will be open in the Church Hall on **Monday 2nd October** and **Monday 6th November** from **7pm – 9.30pm**.

The Trustees

Bampton WI

At our August meeting we welcomed five guests to hear Mike Mapleton from the Cumbrian Postal History Society talking about his passion for all things postal, including a demonstration of blowing an old post horn which was used by mail coaches to warn toll road keepers and householders that the mail was imminent. We're still unsure if the tale about post office cats being paid salaries as civil servants was true or not; at any rate, they were apparently notorious for absenteeism!

September saw a visit to the attractive town of Kirkby Lonsdale.

On **Tuesday 10th October at 7:15pm**, we have our open meeting at Bampton Memorial Hall; refreshments and raffle and all are welcome to join us. We are hosting Temple Spa, an established business which has won multiple awards and worldwide acclaim for their luxury range of aromatherapy, bath and skin care products. A spa consultant will talk about their products and do skin analysis and we will be able to try some of their ranges. So come along for a little bit of heaven to restore energy, moisture and well-being to your busy lives and body.

Bampton WI.

Bampton Shop and Tearoom

Olivia and Graham would like to thank everyone, from daily visitors to the shop, to those who pop in occasionally, and visiting tourists too, for your continued support of the Bampton Shop and Tearoom.

For the time being our opening hours will remain the same: mornings only **Monday to Wednesday 8.30am-1pm**, and all day **Thursday to Saturday 8.30am-5pm** and **10am-5pm on Sunday**, but as we head into winter we may look at amending these times slightly. We've noticed that the bulk of our local shoppers come in the mornings, with only one or two people popping in most afternoons, so we will look at this over the next month or so. Post Office hours are set by Post Office Ltd, and will remain, as always **9am to 1pm Monday**, and **9am to 12pm Tuesday and Wednesday**.

Our shop continues to stock local products such as meats from Low Howgill butchers in Appleby, cheeses from Appleby Creamery, butter from Wintertarn at Morland, beers from Eden Brewery, Appleby Brewery, and Hawkshead Brewery, tea and coffee from Farrar's of Kendal, and of course fudge and Kendal mint cake from Romneys of Kendal. Even more locally, we have jams and pickles from Jeannie, and honey from the Lowther Estate.

We also sell local maps, cards by Christine Longmire, and postcards by Olivia and Graham, as well as a range of local books. We have started increasing our stock of magazines too, and local ones such as Cumbria Life, Cumbria, and Lakeland Walker are proving very popular. We're happy to order in any particular magazine that you'd like, so if you have a hankering to read Gardener's World, Farmer's Weekly, or anything else, just let us know!

Olivia and Graham

Bampton Amblers

With the onset of darker nights our evening walks have now drawn to a close. Despite the recent cold, indifferent weather we have still managed a variety of good walks: a repeat of the ever popular Shap Chippy walk (but this time in the opposite direction!); a delightful ramble to Sunbiggin Tarn; a walk around Askham ending at the pub; a meander along Ullswater's shores; and several ambles closer to home. We hope you will be tempted by something in our following programme – newcomers are always welcome. Dates for your diaries are as follows:

Sunday 8th October Meet at **10.00 am** Andrew (713343)

[Mod: Drybarrows, Low Kop & Stanegarth – 6¾ miles – 1,450 feet of ascent]

Friday 20th October Meet at **9.30 am** David & Katharine (713392)

[Easy: See PO notice board for details]

Tuesday 24th October Meet at **10.00 am** Ruth (713197)

[Mod: Heughscar Hill & Arthur's Pike – 7¾ miles – 1,200 feet of ascent]

Tuesday 31st October Meet at **10.00 am** [See PO notice board]

Tuesday 7th November Meet at **9.00 am** Chris (712550)

[Hard: Wetherlam & Wet Side Edge – 7 miles – 3,400 feet of ascent]

Tuesday 14th November Meet at **10.00 am** [See PO notice board]

Monday 20th November Meet at **10.00 am** David & Katharine (713392)

[Mod: Sallows & Sour Howes – 7 miles – 1,800 feet of ascent]

Tuesday 28th November Meet at **9.30 am** Chris (712550)

[Hard: See PO notice board for details]

Meet at the Memorial Hall in Bampton and bring a packed lunch, unless advised otherwise. Please note that start times may vary from those quoted depending on the nature of the walk, so please see the notice board in Bampton Post Office

for full details of/changes to all walks. In the event of bad weather please contact the above leaders.

Heather Pitt and Alison Jones

Bowls

Our indoor bowling season will start at the Memorial Hall at **7.30pm** on **Wednesday 4th October** when we will be holding an 'Open Evening'. So why not come along and "Have a Go". All the equipment is provided – just turn up with a pair of lightweight shoes or slippers to change into. It's good fun and free for the evening. See you on the 4th October!

Ken Armstrong

Bampton Trust

The Trust is looking for a secretary to replace Heather Pitt who retires early next year, having provided secretarial support to the Trust for over 10 years. The secretary's job is not too onerous being predominantly a minutes secretary for usually three/four meetings each year. He/she will be required to assist in the planning of agendas for meetings and provide some secretarial support for the trustees.

For further information please contact either Heather Pitt (716861) or Susan Bowman (713327). You can also contact any of the trustees via bamptontrust@gmail.com

The Bampton Trust

Bampton Bonfire and Fireworks

Once again Bonfire Night is nearly upon us! **1st October** is the day we can start to assemble the bonfire. **BUT PLEASE** no dumping of mattresses, sofas, armchairs, plastic and tyres as the Environment Agency keep a very close check on the site. The bonfire will be lit at **6.30pm**. We really need volunteers to circulate around the green and collect as much money as possible because this event runs entirely on donations made on the night. Why not come along, enjoy the company, have a burger, toffee apple or a hot drink and watch the firework display which will begin at **7.30pm**. Fingers crossed for good weather! Also, if anybody is free on Monday morning **6th November** we would be pleased to see you as the Green will need to be tidied up. If we have lots of volunteers it won't take long!

Maureen Barber 713314

Keeping Bomby Tidy

It's an ongoing process making sure Bomby Green looks as well as it has done this last year. We are very grateful to Lowther Estates for cutting and baling the grass this summer. This annual cutting and baling of the grass has proved to be key to maintaining the green's habitat. Flowers flourish as they do not have to

compete with coarser grasses and along with the wildflowers we hope insects and other wildlife will find a home here. Of course, the green is also for people and there is now a small picnic area of shorter grass for which we hope to provide a stone seat. Dog walkers are welcome provided they make sure they tidy up after their animals.

If you would like to be part of keeping the green tidy, you could join us on **Saturday October 7th from 11am to 12 noon**. Bring a rake and gardening gloves and don't wear your best clothes!

Katharine Cooke for the Bomby Green Management Committee

Village Choir

The Village Choir meets on alternate **Mondays 6pm-7pm** at Bryham House. Do come along if you enjoy singing! There is no need to be able to read music, just enjoy a good sing for an hour or so in friendly company. Dates for the period up to Christmas are **2nd & 23rd October, 6th & 20th November, and 4th & 18th December – the dates are listed in the diary (note change of October dates)**

John Garside

Bampton and District Local History Society

Our next meeting will be on **Tuesday October 3rd** and this will be our AGM. We look forward to seeing members old and new as well as interested visitors. Because of illness, we will not be able to hear about the completion of David Morgan's research into the activities of the Haweswater Action Committee. The results will be presented at a later date. Meanwhile an exhibition of the findings is currently being prepared by the BDLHS Committee

At the AGM on **Tuesday October 3rd**, we are pleased to have secured another very interesting presentation. The title of the talk is 'Undefined by the Intrusion of Bad Taste' Early Impressions of Haweswater' and the speaker will be Dr Chris Donaldson, from the University of Lancaster. This is a good opportunity to hear some topical research on the environmental history of Bampton.

Copies of the 2017-2018 programme of meetings will be available at the AGM and the November meeting (**November 7th**) will be on The Carlisle Canal. The speaker will be David Ramshaw

Bampton REMOTE Cinema: the new season

It's great to be back!

Saturday 7 October: Lion (2016 Australia | USA | UK) cert PG, 115 mins

Saturday 11 November: My Cousin Rachel (2017 UK | USA) cert 12A, 106 mins

Saturday 9 December: Nativity! (2009 UK) cert U 105 mins

Saturday 13 January: Dunkirk (2017 Netherlands | UK | France | USA) cert 12A, 106 mins

We welcome David Kitchen from Bampton Grange on to the team.

The venue is Bampton Memorial Hall: film begins at **7:30pm**, doors opening at **7pm**. Tickets are on sale at the door on the night, price **£5 adults, £2 U16**. Or, a **film plus supper ticket can be bought at Bampton Post Office, price £10 adults; £7 for U16** in advance. We will restrict numbers for supper to 36 so buy early. Menu details in post office; supper served at **6pm**; bar, ice-creams and an interval as always.

A word about the first 2 films:

Lion is a real-life odyssey about an adopted child, Saroo, adapted from Saroo Brierley's memoir *A Long Way Home*. We meet 5 year old Saroo (played by Sunny Pawar making his screen debut) in 1986 as the well-loved son of a warm, caring but poverty-stricken family in the Hindi state of Madhya Pradesh. By sheer accident while out scavenging with his older brother he is whisked away hundreds of miles by train to the teeming, alien city of Calcutta where he barely survives as a street urchin until picked up and sent to an orphanage. Soon, he is selected to be adopted by the Brierley family in Tasmania where he grows up in a loving prosperous home. Some 20 years later, Saroo (played by Dev Patel), becomes increasingly driven by memories of his lost family and begins to search for them. *Lion* received many BAFTA awards.

Rachel is our period drama is set in 1850s Cornwall, a perfect "Poldark" setting for Daphne du Maurier's classic tale of lust and paranoia. A young Englishman, Philip Ashley (Sam Claflin) plots revenge on his mysterious, beautiful cousin Rachel (played coincidentally by Rachel Weisz), believing that she murdered his beloved guardian Ambrose after their marriage. (Ambrose died suddenly from a brain tumour but not before Philip received deranged letters from him, implying he was being poisoned.) But Philip's feelings change dramatically when he meets Rachel and falls under the beguiling spell of her charms. Is she the wicked guilty woman he first believes her to be or is she entirely innocent of intrigue and murder and just trying to survive in a man's world stacked against her? There is always her little suitcase full of mysterious potions from which she concocts strange herbal teas... to keep you in suspense.....

There will also be one or two short films this season, very popular additions to the evening's entertainment. Happy viewing and we look forward to seeing you very soon.

Hazel (713311), Katharine (713392), Mike (713555), Vickie (713466) David (713586) Bampton REMOTE cinema committee.

Bampton Parish Council

In the absence of Richard Carruthers Vicki Buss took the chair for the September Parish Council meeting. Jim Campbell was unanimously co-opted to serve as a councillor in place of Vicky Haddock who resigned earlier. He was welcomed and she was thanked for the work she did while a councillor.

Several parishioners were present and they raised concerns over several things – uncut verges, blocked gullies and rubbish bags being torn open by scavengers while awaiting collection. The relevant authorities will be contacted and made aware of these problems and hopefully something may be done to solve them. Another matter raised was the current lack of a parish Highwayman since the very sad death of Malcolm Evans who was very assiduous in the post for many years. The Highwayman/woman is the link between the parish and the Highways authority and he /she passes on complaints and information about such things as dangerous potholes, blocked and overflowing ditches and culverts, empty grit bins and any other road related problems. It is an important job! There is a direct line that anyone can use to report problems but the Highwayman has a personal contact and can get things done more effectively sometimes. If you are interested in taking this on please contact me or Neil Hughes for more information. Thank you. Still on Highway matters – it was reported that new signage is being put up at the Whale road end on Knipe Moor and road markings to try to prevent drivers continuing straight on to Low Knipe when they intend to go to Askham. New road markings are noticeable throughout the parish.

The Clerk gave a report on a course she had attended during the summer to learn more about the law relating to commons and village greens. Interesting but very complicated!

It was decided that in future planning applications will be listed on the parish web-site when they are sent for consultation. This means that anyone with an interest in knowing what is being proposed can access the plans via the LDNPA web-site using the relevant application reference number and post code. If anyone needs to see the actual hard copy plans the Clerk can be contacted.

Councillor volunteers agreed to deal with the over abundant growth on the willow tunnel in the playground and its future maintenance will be discussed at the next meeting on Tuesday November 21st.

Marion Drinkwater (Clerk)

Raft race 2017

What a great afternoon! After last year's race cancellation, race day weather this year was very fair and it tempted just 11 rafts out. As usual, teams had gone to great lengths in conceiving and building their vessels – with a fair amount of hope included. The event was held with the same amount of good humour that this community gives to everything and all participants and spectators appeared to have a great afternoon. The inclusion of an entry from the Folk Camp

swelled our spectator numbers and it was good to see them joining in with the village (and buying a few burgers!). Particularly heartening was the number of younger crews who participated. We need youngsters coming through and to keep the event going.

A massive thank you to everyone who participated, whether rafting or spectating, and to the people who help to run the event. Without everyone's input this would not take place and I would like to see the raft race continue as a well supported local event run by the community for the community.

Despite having the lowest number of entries for a few years we have been able to donate £165 to this year's charity Hospice at Home. Thank you for the support which has made this possible.

The duck race raised £339 for the Memorial Hall.

Bampton Recreation Field

Just a reminder that the recreation field is there for our community use. If anyone wants to organise football, rounders, cross training etc., then please feel free. Or if anyone has any ideas for events please get in touch. I'm happy to help co-ordinate things – just let me know! Also, if anyone is able to trim around the trim trail, then that would be great. It would be lovely to see people using the field for recreation. Remember, leave it as you found it and strictly no dogs. Thanks!

Bampton Community First Responders

If you think you'd like to join the team and help provide essential emergency cover for the local community please feel free to get in contact with me for an informal chat or look at the NWAS CFR page <http://www.nwas-responders.info/> All applications are submitted through the web page and are confidential.

If you feel unwell and think it is a medical emergency DIAL 999 or 112 and ask for AMBULANCE. Any on call CFR's will then be tasked by Ambulance control to attend if appropriate. CFR's will not be tasked to attend all 999 calls but will be asked to attend the following type of emergencies: abdominal pain, severe allergic reaction, breathing problems, fitting, diabetic emergency, chest pain, stroke, loss of consciousness, collapse, cardiac arrest, respiratory arrest, some trauma. We will not normally be tasked to any incident involving children under 12.
