Grant Policy

Objective

Bampton Parish Council wishes to support activities and causes which benefit the parish of Bampton. A grant is any payment made by the Parish Council for the specific purpose for which it is claimed and for the well-being of the community.

Eligibility

Any grant made by the Parish Council must directly benefit some or all of the residents of the parish of Bampton. Applicants must set out how the community of Bampton will benefit for the work funded by the grant.

The following criteria must be met for a group to be considered for a grant: -

The group must be a charity, voluntary or community organisation. The group must be formally constituted and have a management committee made up of volunteers. Individuals and businesses, Political Parties or organisations affiliated thereto are not eligible for grant funding.

Applications can be made at any time of the year but if possible before October to assist in the Parish Councils financial planning.

Condition

Whilst there is no upper limit the Council as a public authority will award grants according to its budget. The Parish Council reserves the right to reclaim any grant not being used for the purpose specified on the application form. The Parish Council reserves the right to verify that the expenditure incurred is entirely in accordance with the grant application and purposes. Proper evidence of estimated expenditure must be supplied to the Parish Council prior to the payment of any grant. If the Parish Council is not satisfied with the arrangements, it reserves the right to request a refund of monies awarded. Grants cannot be awarded after the relevant project or event has been completed. An acknowledgement on receipt of the grant payment is required.

Application Process

Applications should be made by completing the Grant Awarding Application Form.

Applicants are required to attend a Parish Council meeting prior to submission of their application in order to outline their request.

The organisation must be able to demonstrate that it is properly managed and able to run its affairs responsibly.

Written constitution that has been formally adopted by the members of that organisation (or a similar document of agreement between individuals where their association is less formal) must be appended to the application form.

Applicants must set out any other funding they have been awarded or have applied for. Where the Parish Council is being asked to be the sole grant provider, the applicant must explain the reason for this.

Applicants are usually informed of the outcome of their application within two weeks of the meeting.

Grant recipients are required to attend the next Annual Parish Meeting which is held in the month of May after the grant has been awarded to make a presentation on the achievement of the purposes of the grant.
