

# ST PATRICK'S CHURCH BAMPTON

# BELL APPEAL

## THE NEW BELLS

The plan is to conserve the old bells and their chime in the tower, refurbish the clock mechanism and install a new ring of six bells beneath the old bells.

## THE COSTS

- Refurbishing the clock and chime mechanism: £3900
- Conserving the old bells: £3500
- Refurbishing the ringing room: £5700
- Installing the new ring of bells (tenor bell 5 $\frac{1}{4}$  cwt): £81000

**More than half the cost of this project has been given by a generous donor**

**YOUR DONATION** will help us to complete the project:

A donation could contribute to the cost of a new bell, to the refurbishing or conservation work or towards the cost of any of the following fittings for a bell:
